EAST HARTFORD (E.H.) PICKLEBALL CLUB

Court Courtesy

Treat every court like it's someone's first.

Show Up

Be on time. Warm up before your slot, not during it.

Check in every time you play.

Cancel if you can't make it. At least 4 hours ahead, in Court Reserve.

Know your band. Come to the block that fits your number, or a bridge or open session.

Connect

Say your name to at least one person you don't know, every time you come.

Your paddle on the rack is your place in line. Two on, two off. Play two games, then back on the rack.

Look at the rack before you call the score. Nobody waiting: game to 11. Paddles waiting: game to 9. Win by 1.

Mix up partners. The same three people every session is comfortable. It's also how a club gets cliques.

Bring the new person in. If someone's at the fence looking unsure, that's your cue.

Coach only when asked. Even when you're right. Especially when you're right.

Take Care of Each Other

Call your own faults. Foot faults, kitchen violations, double bounces.

Close calls go to the other team. Every time. It costs you a point and buys you a reputation.

Call the score out loud before every serve. All three numbers.

"Ball on court" stops play. Immediately, on any court.

Watch out for each other physically. Don't back-pedal for a lob. Call out overheads.

Clean up. Balls in the bin, water bottles out, gate closed behind you.

Respect the campus. We share these grounds with East Hartford Tennis Club.

> **Something not feel right?** How you were treated, how a game went, anything. Tell us. Visit https://www.eh-pickleball.net.
