How a team works

- **6 to 10 players.** Saturday teams are all men. Sunday teams have at least 3 women and 3 men. Your captain registers the team.
- **Saturday format: men's doubles.** Each match is three rounds of three doubles pairs, 18 games in all.
- **Sunday format: COMBO.** One round of women's and men's doubles, then two rounds of mixed, 12 games in all.
- **Every game counts** toward your team's score.
- **Short a player or two?** Tell us. We'll help you find them while you keep looking too. A team needs at least 6 to register.

What it costs

$1,000 per team, per season. Every player gets a team shirt.
